**Vision:** We present a simple Gospel to a complex world to produce leaders for change

**Motto:** "We Make Change Easy"

**Values:**

- Everyone deserves unconditional acceptance
- Everyone needs time to change
- Everyone needs help to change
- Through the power of Jesus we all can change

**Mission:** We celebrate through Worship, Connect through Life Groups, and Serve through Community Outreach.

## W.O.C. NEWS – JULY/AUGUST 2015 EDITION

### *Pastor's Corner*

*Rev. Dr. Walter R. Belton, Senior Pastor*

Wow! I'm so excited about what the Lord has done in these few short weeks since we launched the Word of Change Ministries. Dreams do come true! The vision to plant a church that Un-churched people love to attend could not have come to pass without your help. I want you to be proud of what God is doing through all of us. We are off to a great start! Please continue to invite everyone you meet to come be a part of this move of God. Please know that you have made so proud to be your Pastor. The way all of you have joined together to make this ministry operate in excellence makes me proud and honors God. The best is yet to come. Who said ministry had to be hard? Remember this one thing..."We Make Change Easy"!

### *Praise & Shout!*

I was admitted to Mary Black Hospital on March 21<sup>st</sup>, they didn't know what was wrong with me. The entire left side of my face was numb, I was scared. They did an MRI, CT scan, and treated me with different medications through an IV, but still no answers. I was sent home still frustrated and confused. I prayed more than I ever have for the Lord to heal me because the doctors had no answers to my sickness... That was 3 months ago. I just kept praying, and asking God to heal me. Even though it didn't happen right then, a month later some of the feeling was coming back slowly. I kept begging God to restore my feeling and to take the pain away. At one point, the doctor explained I may always be this way, not getting my feeling back, or it could take a while. My face is no longer numb. I'm thankful and grateful, the Lord is my Healer. Thanks and God bless! - **Mrs. Jessica McKennedy**

"God's Just Good that Way!" (Matthew 11:28-30)

Life is full of storms and Heartaches,  
Much hurt-and a lot of Pain.  
Then-When all of Hell Breaks loose,  
We'll call out To His Name.

Like the Car-we did not Wreck,  
Or the Home-that did not Burn.  
The Wife-that did not leave us,  
Or the Money-We're Blessed to earn.

There's also Many Blessings,  
Many we cannot see  
For that-We Should Be Thankful,  
As we fall down to our knees.

You See, God is Really Awesome!  
And He's Worthy-Of All Our Praise.  
There's Nothing left To Really say, - Except-  
God's just good that Way! - **Scott Cabiness**
