## WORD OF CHANGE NEWS SEPTEMBER/OCTOBER 2015 EDITION

---

### *Pastor's Corner*

*Rev. Dr. Walter R. Belton, Senior Pastor*

I am so proud to have the opportunity to serve as Pastor of the Word of Change Ministries, one of the leading ministries in the Upstate. We have been in existence for only three short months, but we have worked diligently to touch the lives of individuals in our community. We have much to be thankful for and proud of, but the work isn't over. There are still too many lost and un-churched people who need to be reached with the Gospel of Jesus Christ. Never forget we have a calling on us to reach the least, the lost, and the left behind.

Thank you for all of your hard work and unselfish giving to the cause of Christ. Remember we can do more together as a church, than you can do as an individual. There is still someone in your realm of influence that God wants you to bring to the Word of Change. Thank you for the chance to do life with you and not religion.

### *First Lady Says...*

*Mrs. Sharon E. L. Belton*

Attention All Women! Do you truly understand how significant you are? Do you know that throughout history women have been unsung heroes behind any major victory, discovery, or moral campaign? Women have always held a place of influence in culture, even if it hasn't been publicly recognized—or legally allowed.

However, so many times we think we just can't make it on our own...we're right, we can't and we don't have to! Proverbs 3:5-6...Trust God from the bottom of your heart; don't try to figure out everything on your own. Listen for God's voice in everything you do, everywhere you go; He's the one who will keep you on track.

Join us and let's do life together on Women's Wednesday as we read "Kingdom Woman" by Tony Evans and his daughter, Chrystal Evans Hurst. We can accomplish more working together than working separately.
